The Forest Rooms

The forest rooms
The forest rooms each sleep two people, with a king-sized bed. Each has its own parking at the back, which is well lit, with further lighting along the path leading to the forest room itself. There is a lockbox for the keys on the inside of the terrace, and the code for your cabin will be shared with you prior to your stay.

Breakfast/food
While the cabins are self-catering, we want to make things as easy as possible for you. We can offer breakfast baskets and dinner options. However, these must be booked in advance. We also offer dinner options, which can be delivered to your forest room with heating instructions. Please see your booking confirmation for the current options we have available. We can cater to dietary requirements, please just ask!

BBQs
You are welcome to bring your own disposable BBQ, but please ensure these are only placed on the gravel and not near timber or grass. Please ensure any mess is disposed of responsibly when you leave.

Fire pits
Each cabin is stocked with firewood to last the duration of your stay. Please do not move the fire pits or add anything other than the wood/kindling provided. Please ensure the fire remains controlled and that the fire is out before leaving the cabin. Please also be aware that leaving the door of the forest room open will make everything inside smell of wood smoke!

Booking process
It's very easy to book the forest rooms, all you need to do is contact the team at The Rhynd on weddings@therhynd.com or by calling 01334 839218. The team can take all your details and provide information on how to arrange payment of the deposit to secure your booking, A month before your stay, we will need the rest of the payment.

Check in/check out
Check in is 4pm on the day of arrival, and the key to your cabin can be found in the lockbox on the terrace by the door. You will receive a code for the lockbox prior to your arrival.

Terms and conditions
The forest rooms are tucked away in the woodland on our estate. Although the rooms are very much secluded and private, please respect the land and the environment by taking extra care. Please relax and enjoy yourself, but respect other guests' privacy.

Dogs
We're very sorry, but we can't allow dogs in the forest rooms or in cars overnight.

Heating
The forest rooms have heating and air conditioning. Depending on the time of year, this will be turned on prior to your arrival to ensure a comfortable temperature. You can control the heating and air conditioning via the thermostats on the wall by the door. We will leave instructions for these.

Security and lights
Please make sure that you turn off all lights and lock the door when you leave, even for a short time. We get very little crime in the area, but it's always better to be safe than sorry. We also like to keep our carbon footprint as small as possible.

Prices
The cabins are available for £180.00 per night, with a minimum stay of two nights. A 50% deposit is required to secure your booking. Where all four cabins are reserved in one booking, there will be a reduced price of £170.00 per night.

All bookings are formally confirmed when we issue you with your confirmation document. Your confirmation document will set out the dates of your booking, the total amount payable for your booking, the dates on which payments are due, and a booking form documenting details of your party.
